## CPRM

Certified Project Risk Manager (CPRM)

Acquiring high level skills, knowledge and techniques through the international recognized approach and practice of Project management. This unique programme takes you through the very basics of becoming Chartered Project management Professional, irrespective of your field of expertise. It also facilitates the effective management of projects, balancing the effects of time, cost, quality and stakeholders.

This course is based primary on the Project Management Body of Knowledge (PMBOK Guide) standard and certification processes. It is a comprehensive course that will assist individual in preparing for the CPMP- CIPM and PMP- PMI certifications.

Certification Issued By

**American Academy of Project Management (AAPM - USA)**  
The AAPM ® is the regulatory body for the much sought after AAPM™ Designations and Credentials. The AAPM™ Executive Designation Programs provide the assurance that the holder has met the suggested criteria for graduate credentials set out in the Ibanez US Supreme Court Decision and Dicta.
