## Chartered Credit Analyst (ChCA)

"The goal of this program is to provide a Credit Analyst with diagnostic skills that can be immediately used upon return to their respective international banks or corporate credit departments. Analysts will learn to use demonstrated analytical strategies which will enable them to assess the degree of risk prior to endorsing approval or rejection of a specific credit request. Another objective of this program is to enhance the documentation of commercial loan files which will reduce losses and will be viewed favourably by the regulatory community."
