

## FINANCIAL MANAGEMENT

**Master Financial Planner**

The Master Financial Planner MFP® Professional™ qualification is designed to equip managers with the financial skills required to make an important contribution to the development and maintenance of the financial function within organizations of all sizes. The Master Financial Planner Professional™ Program, examines innovative financial approaches that strengthen measurement, communication, and implementation of strategic plans. Participants develop a deeper understanding of a company's economics – from markets and competition to financial performances and strategy. Most importantly, attendees can leave the program prepared to leverage their organization's financial position for maximum corporate gain.
