

# HOTEL ACCOUNTING Certification

Panama International  
Tourism Association  
and KHDA UAE Ministry

# HOTEL ACCOUNTING

## COURSE OVERVIEW:

We believe accounting serves a purpose beyond presenting the historical financial position of a hotel. Timely accounting information, properly presented, is information that management can use to improve future performance and compare income and expenses to past performance and future goals.

## COURSE PARTS:

Purpose and role of Management Accounting  
Standard Costing and Budgetary Control  
Decision Making  
The Management of Working Capital  
Investment Appraisal  
Management Accounting and Computers.

## CERTIFICATION ISSUED BY:

Panama International Tourism Association (PITA Panama) The panama international tourism association (PITA) is a statutory board as global organization. It champions the development of international tourism sector, one of the country's key service sectors and economic pillars, and undertakes the marketing and promotion to the world as a tourism destination.
